Toys and hardlines laboratory manager

This report is made solely on the basis of your instructions and/or information and materials supplied by you. Results and observations are only valid for the samples that were submitted to Intertek. They can not be extrapolated to general properties of a batch. This report is not intended to be a recommendation for any particular course of action. To declare or not compliance with the specification, uncertainty associated to the result was not explicitly taken into account.  
Intertek does not accept a duty of care or any other responsibility to any person other than the Client in respect of this report and only accepts liability to the Client insofar as is expressly contained in the terms and conditions governing Intertek's provision of services to you. Intertek makes no warranties or representations either express or implied with respect to this report save as provided for in those terms and conditions. We have aimed to conduct the Review on a diligent and careful basis and we do not accept any liability to you for any loss arising out of or in connection with this report, in contract, tort, by statute or otherwise, except in the event of our gross negligence or willful misconduct.  
The copyright of this test report is only authorised under its integral form. It contains 3 pages in English version.
