

**Cutting List:**

- A cut 2 bunny coloured felt
- B cut 1 interfacing
- C cut 2 Easter Egg coloured felt
- D cut 1 interfacing
- E cut 4 bunny coloured felt
- F cut 1 bunny face coloured felt
- G cut 2 bunny ear coloured felt

To construct your bunny:

On one layer of your bunny (A)

1. Stitch the ears on (G)
2. Stitch the face on (F)
3. Stitch the nose and mouth with black thread
4. Add brads for eyes & cheeks

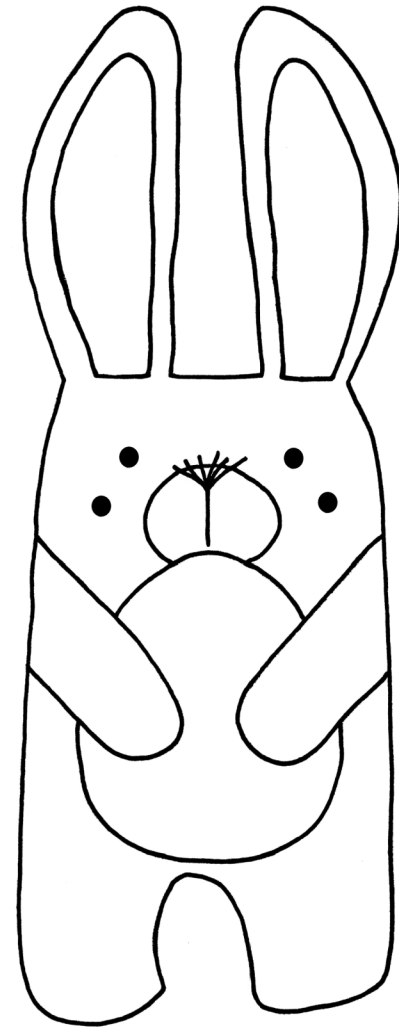

Next, sew together the arms (E)

If you want to add a pom pom tail do this now

Make a little sandwich with your two bunny pieces (A) with (B) inbetween and stitch all around the edge making sure you stitch the arms as you go around the edge

To construct your Easter Egg:

Decorate your egg (C) the egg is removeable so you can do both sides or just one side. When you are happy with your decoration making a sandwich with your egg pieces (C) with (D) inbetween and stitch all the way round the edge

Don't forget you can download a FREE copy of my sewing-with-felt book for more thorough instructions.

# Little Bunny & Easter Egg
