

Make your own doughnuts with our FREE template

Print this template onto an A4 sheet of paper, cut out the paper shapes, pin onto your chosen materials and cut out, decorate & sew together

Email us a photo of your finished doughnut and we'll put you in our makers gallery

You may make as many doughnuts as you wish with our free template, our only stipulation is that you always credit us if you make them to sell. The copyright of our design remains the property of paper-and-string ltd
