Make your own Happiest Decoration Ever with our FREE template

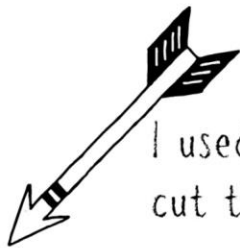

Print this template onto an A4 sheet of paper, cut out the paper shapes, pin onto your chosen materials and cut out, decorate & sew together (further instructions are on the other PDF)

Email us a photo of your finished Happies and we'll put you in our makers gallery

You may make as many Happies as you wish with our free template, our only stipulation is that you always credit us if you make them to sell. The copyright of our design remains the property of paper-and-string ltd
