Sunshine Pattern

This pattern was designed by paper-and-string.

Basic method:
Cut out two layers of the sunshine and one face piece.
Sew the face piece onto one sunshine piece. I add a length of ric rac underneath (approx 20cm)
Add a happy face.
Add a button embellishment (this will hide the ends of the ric rac).
Tack a hanging ribbon to the wrong side of the other sunshine piece.
Sew together and stuff as required

If you need more help you can download a copy of my Felt book for free on our website. It covers everything from cutting out through to finishing off.
