

instructions

1. Lay the face piece on top of the under-face piece. Mark the position of the eyes and cheeks

2. Push the mini brads through both layers to make the eyes and cheeks. Hand sew the mouth.

3. Stitch the face on to the body

4. Fold the body in half right sides together (your Happie's face will be inside) sew together along the dotted line. Start at point A and finish at point B. You can either machine or hand sew this part.

Turn your Happie's body the right way round and stuff with plenty of stuffing.

5. Lay the bottom piece on top of the stuffing and pinch the bottom piece and sides together and sew with a running stitch.

6. Use a length of embroidery thread if you want to make a hanging loop.
